Long distance cycle routes in Germany

Dr. Wolfgang Richter

Sevilla 2011
EuroVelo-Routes in Germany

• all 7 existing EuroVelo routes in Germany are component of „Cycle Network Germany“ („Radnetz Deutschland“)

• only in the federal state of Baden-Württemberg EuroVelo 6 is signed with EuroVelo logo

• until now no financial support for national coordination center (EuroVelo – Cycle Network Germany)

• project for Cycle D-Route 3 (EuroVelo 2) in the period 2008 - 2012
Cycle Net: High quality cycle route for Germany

- marketing campaign being realized
- new homepage with presentation of all 12 D-Routes [www.radnetz-deutschland.de](http://www.radnetz-deutschland.de)
- steps for maintaining high quality on D-Route 3 (EuroVelo 2)
- information for tourism experts at regional meetings (16/17.05.2011 in Lower Saxony)
- Improvement of D-Route 3 creates new impulses for the development of all routes
Cycle Net: High quality cycle route for Germany

- Positive effects for all D-Routes:
  - standards for routes, appearance (corporate design, information points), exchange of views
  - Label „D-Network / cycle network germany“
- Main target group: cyclists from European countries

- period: 2008 – 2012 promotion by federal ministries of transport and economics and five involved states of Germany (all together 900.000 €)
- aim: more activities to develop the potential of the D-Routes
- work for a national cycle network
